

You will find our independent, award-winning and one of a kind hotel in the heart of Mayfair, opposite tranquil Green Park. As one of London's few family-run five-star hotels, a proudly independent spirit is still the driving force of everything we do.

Following a multi-million-pound refurbishment and with Michelin-starred chefs The Galvin Brothers at the culinary helm, The Athenaeum Hotel & Residences has entered an exciting era.

## ROOMS AND SUITES

There is a choice of 134 spacious rooms, many with views over Green Park; 12 elegant suites with generous open plan layouts; 18 private residences with separate sitting rooms and dining areas; a stunning penthouse suite with private balcony and 180-degree views of the city. Every aspect of the design and service helps you feel relaxed and at home: as standard in your room there's a Bose docking station, large flat screen TV with multiple channels and pay per view films, Nespresso coffee and tea facilities.

## RESIDENCES

The Athenaeum's luxury serviced apartments are located in Victorian red-brick townhouses adjacent to the hotel. Each 550 ft<sup>2</sup>/50 m<sup>2</sup> apartment is accessed via your own front door with discreet internal entry to the hotel. They are fully equipped with a kitchen, spacious living area and 24-hour In Room Dining. Many are interconnecting, making them ideal for families, groups and long-term stays.

## THE BAR

THE BAR at The Athenaeum is a destination in its own right. Accessed via a discrete entrance on Down Street, it's intimate and inviting with elegant bespoke interiors. As well as retaining The Athenaeum's famous whisky collection, THE BAR features a fine selection of wine and champagne alongside a range of pioneering craft spirits and Signature Cocktails created by renowned Italian bartender Giancarlo Mancino.

## GALVIN AT ATHENAEUM

Galvin at The Athenaeum is the latest restaurant from Michelin-starred London chefs Chris and Jeff Galvin. For the first time the brothers have stepped away from their trademark French-inspired menus in favour of championing Britain's delicious home-grown produce and supporting independent farmers across the UK. An exciting array of new menus include Afternoon Tea and Private Dining, and feature a modern take on classic British dishes combined with Galvin favourites.

## SPA & 24 HOUR GYM AT ATHENAEUM

REN boutique spa, 24hr gym, Cedar-wood hot tubs, a steam room, wet room with sauna to emerge refreshed and ready to face the day.
